[Report on re-scoring the Tied Test](#)

Major Statistical Sources: Test 1 scorebook as described below. Scorebooks for Tests 2 (incomplete) and Test 3 from Indian sources. The Australian team apparently returned without a scorebook.

2023 UPDATE: Gulu Ezekiel has obtained scans of a full score of the match through S. Giridhar and V.J. Raghunath, the authors of *From Mumbai to Durban* (2016). The original score resides in the office of the Tamil Nadu Cricket Association. The scans have been re-scored ball-by-ball, albeit with a few uncertainties.

2022 UPDATE: A video of the final session of the 1st Test has been found and has been re-scored by Lawrie Colliver. The relevant files have been updated.

Prior to 2023, the only known original source for Balls Faced information for the first Test came from a tour report published by Australian Cricket Board. Now that a score has been found, claims that the Tied Test score contained errors, and the match was actually not tied, cannot be corroborated, although some slight uncertainties remain. (The surviving score for the second Test, which is incomplete, does contain errors.)
